

# 2024 ANNUAL REPORT

# THANK YOU

Friends,

Every day, in countless communities around the world, your arms lovingly embraced the hurting and healed the sick. Your hands diligently satisfied the dire needs of the hungry and thirsty. Your beautiful feet moved tirelessly to bring the Good News of Jesus to the lonely and lost.

Together, we expanded outreach at every operating center in East Africa, West Africa, and Haiti. We also rooted further into our plan to carry His love and provision deeper into West Africa by completing the primary construction of our seventh outreach center, breaking ground on our eighth, and laying plans for our ninth.

While these milestones are significant, the countless lives forever changed because of your faithful generosity are what matter most. On behalf of myself, my family, and 757 global team members, thank you for sowing today for the harvest tomorrow - for meeting needs, feeding souls, and elevating God.

# NEW CENTER PROGRESS

Center #7 in Sokome, Togo, is nearing completion with a grand opening scheduled for this summer. The village of Sokome is already being served through your generosity. Souls are coming to faith in Jesus as lives are being improved through clean water and outreach initiatives.

In October, we broke ground on Center #8 in Agou, Togo. Join us in prayer over this project and the communities your partnership will impact here. You are mobilizing the gospel to an unreached area and bringing desperately needed services to thousands more in extreme poverty.

# STEWARDSHIP WITH INTEGRITY

Proudly Accredited By These Organizations:

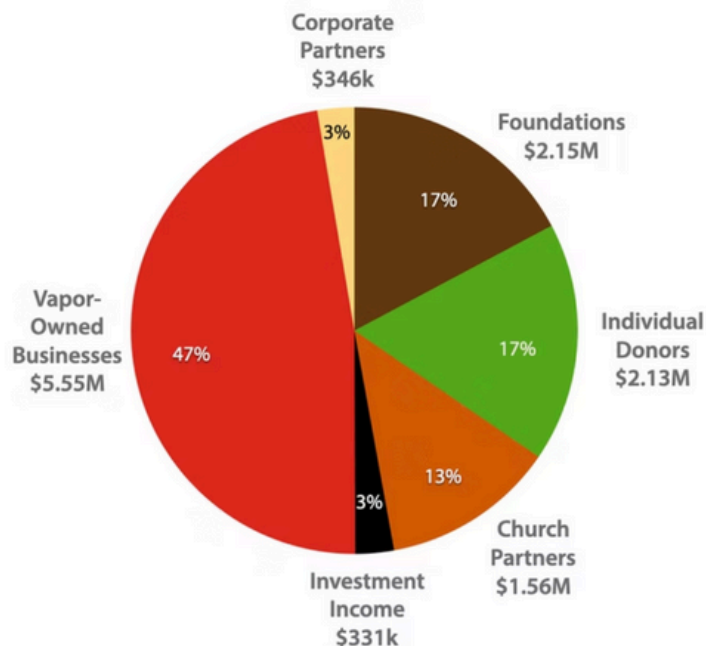

At Vapor Ministries, we are committed to ensuring that every donated dollar goes directly to program expenses. This is made possible through the generosity of a group of Cornerstone churches and the profits generated by our businesses, such as Vapor Thrift Stores. These resources fully cover our administrative and fundraising costs, allowing us to channel 100% of your contributions toward life-transforming programs that serve those in need. Your partnership fuels real, lasting change.

In 2024, 100% of every dollar you donated was used directly for ministry programs.
