

YOUR 2025 ANNUAL REPORT

See What You Made Possible

Friends,

Twenty years into this journey, we pause with gratitude for what God has done. Across communities near and far, His love was expressed through Gospel-centered care. Children were nourished, families were strengthened, and the love of Christ was made visible in tangible ways. Within this report is the story of your compassion in motion, God at work through shared purpose to bring light, life, and hope where it is needed most.

Because of your faithfulness, we continued our work to meet needs, feed souls, and elevate God in communities facing extreme poverty. Your support made it possible for ministry centers to grow, discipleship leagues to expand, and local leaders to rise up from within their own communities. Physical care and spiritual truth moved forward together, reflecting the heart of Jesus.

Thank you for trusting us to steward what you have placed in our hands. As we look ahead, we do so with confidence, knowing that God will continue to work through this shared calling to bring lasting change for His glory and for generations to come.

On behalf of our family and our 908 team members, thank you.

NEW CENTER PROGRESS

Our 7th outreach center opened this year in Sokome, Togo, with thousands in attendance to celebrate. Over 2,500 children, youth, and adults joined our discipleship league at this center, and thousands more are being impacted by the clean water, food, health services, and educational opportunities now available because of your generosity.

Our 8th center, located in Agou, Togo, is taking shape. Scheduled to open in October 2026, this center will bring the gospel to an unreached community and desperately-needed services to thousands in extreme poverty.
