

YOUR IMPACT 2020

Dear Friends,

Your generosity penned a God story! Your kindness walked the gospel into poverty. In a season of unparalleled adversity, we served more people than ever. Against all odds, we brought life-giving physical and spiritual care to the world's poorest. We celebrate your impact. We know the harvest is ripe. We are ready to make an even greater difference in the days ahead. On behalf of my family and our team, thank you!
