UPDATE ON CURRENT STATUS IN HAITI

We wish we could tell you that the reports coming out of Haiti have been exaggerated by the global media. They have not. What you're hearing is true. Rioting, looting, government paralysis, and unspeakable violence have taken hold, and a heavy veil of fear has settled over much of the nation.

It would be easy to grow disoriented in this kind of darkness, weighed down by helplessness. But we are called to something greater. Adversity is the very place where faith and resolve are forged. When darkness rises, the light of Christ must rise higher still.

Because of your generosity, critical outreach continues, and the Good News of Christ is still being proclaimed. Hundreds of team members are faithfully serving thousands of people through Vapor's three outreach centers in Haiti. In the face of serious logistical challenges and rising costs, clean water is flowing, meals are being shared, and health services are restoring strength.

Vapor's regional leadership team is constantly monitoring threats and adapting operations with wisdom and caution. Whenever it is safe to do so, center doors remain open for discipleship league, and children supported through Vapor's Hasmin's Friends program continue attending school as they prepare for upcoming exams.

Each morning, at every Haiti center, our team members, armed with gratitude, hope, and the Word, intercede for their neighbors and their nation. And we celebrate the great things He has done, is doing, and will do.

Thank you for standing with us in support and in prayer.

HOLISTIC COMMUNITY TRANSFORMATION

SPIRITUAL OUTREACH

You are advancing the gospel and raising up indigenous missionaries. Through relevant discipleship, the hope of Jesus is multiplying in the darkest corners.

SOCIAL IMPACT

You are bringing clean water, accessible food, vital health services, and quality education to the poorest of the poor.

ECONOMIC FLOURISHING

Your partnership provides indigenous employment, job training, leadership development, & farming education impacting entire communities' economies.

DEEPENING DISCIPLES

Gospel seeds are sprouting. Fruit for heaven is ripening.

You are advancing the gospel and raising up indigenous missionaries. Through relevant discipleship, the hope of Jesus is multiplying in the darkest corners. Every week, over 11,000 children, youth, and adults are being actively discipled. Thousands more are hearing the gospel through community outreach. Bibles are being distributed, churches are expanding, and souls are connecting with the Creator.

SIMPLE HELP SAVES

Hunger vanishes with a simple meal. Illness dries up with a simple medication. Thirst is vanquished with a simple cup of water.

Your partnership relieves the pangs of hungry bellies. Because of you, we can serve over 3 million meals a year. Families have access to free, clean water for drinking, cooking, and washing. People who would have died from preventable and treatable diseases are finding healing. In areas of extreme poverty with no safety nets, needs are being met in the name of Jesus because you care.

EMPOWERING THE EAGER

Raw talent plus opportunity equals flourishing families.

The pool of talent runs deep in the slums. Capable, driven, remarkable men and women live out their lives in poverty without the opportunity to harness their God-given gifts and reach their full potential. This is a heartbreaking reality and one we are making efforts to remedy. Your partnership helps us equip people to break cycles of poverty through employment, business creation, and agricultural development.

2026 HAITI IMPACT FUND

We invite you to partner with Vapor Ministries to bring holistic transformation to less-reached areas of Haiti. Bring social, spiritual, and economic impact to people trying to survive extreme poverty. Your investment into this fund impacts lives today and souls for eternity. Please prayerfully consider partnership to leave a legacy for their good and His glory.
